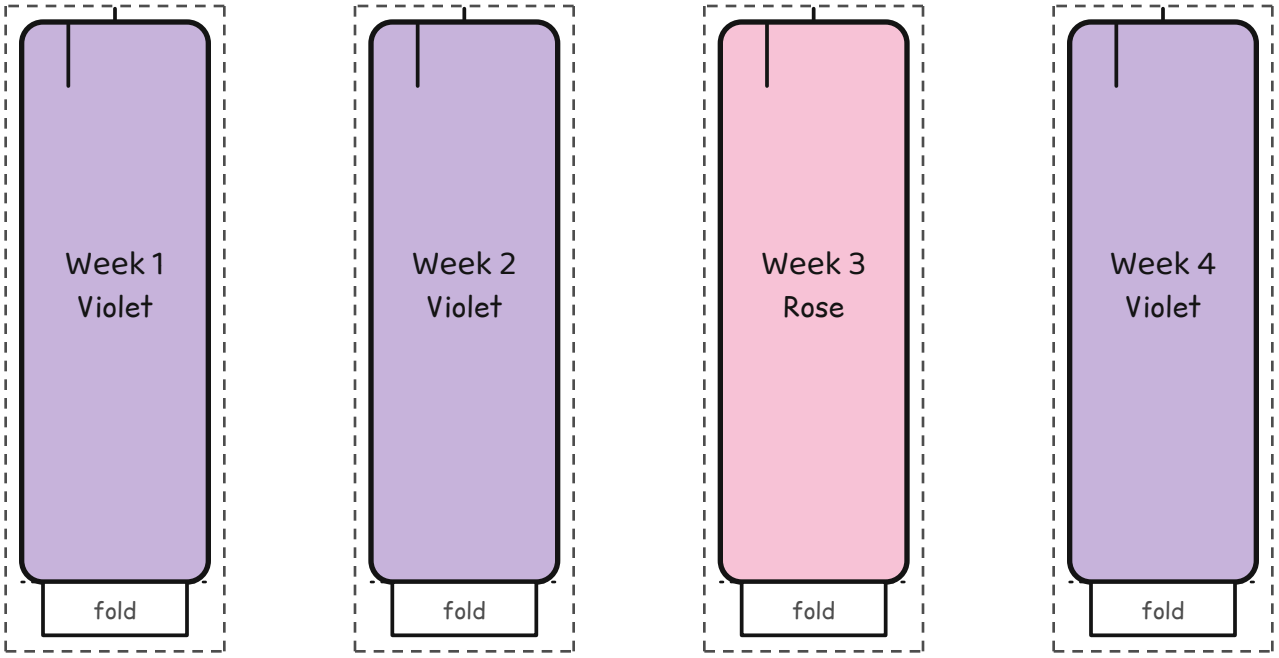
Advent Candle Craft

Why are the candles purple and pink?

Purple means getting ready. The pink (rose) candle on the third Sunday is for joy, because Christmas is near!

A Candles

3 violet and 1 rose. Colour, then cut on the dashed lines.

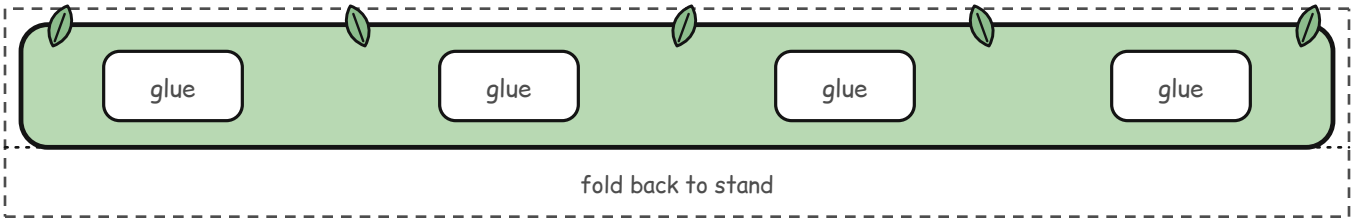


B Flames

Light one more each week.

C Base

Cut out, fold on the dotted lines into a stand, glue each candle tab on a spot.



1. Colour the candles and flames, then cut out every piece on the dashed lines.
2. Fold the base back on the dotted line so it stands up. Fold each candle tab back.
3. Glue each candle tab on a glue spot. Each Sunday of Advent, glue one more flame on top.
